

Our Wines - The PIERRO *Family*

LADY CHARDONNAY

First Lady of the PIERRO Household. Elegant, poised and refined with a fruity undertone, like any self-respecting Duchess. Her reputation precedes her from years of experience and loyalty to her style. At the party she extends a delicate hand to you in greeting, her white peach and nectarine skin lit up by a seamless smile and a playful citrus twinkle in her eye. She dresses in sumptuous layers of creamy silk, underpinned with a beautiful, steely structure and her flowing skirts trail behind her in a long, harmonious and elegant finish. Just a sip and she inclines her head gently over her shoulder as she walks away, leaving you with a lingering impression of purity, balance and underlying power that stays with you long after she has left the room.

Pedigree

100% Chardonnay

Handpicked, hand-sorted, gently whole-bunch pressed. Fermented and matured in French oak (50% new, 50% one year old). Malolactic secondary fermentation. Hand-stirred on the lees for 12 months.

Favoured Listening

Delibes' Flower Duet

Harmony; delicate elegance balanced perfectly with richness, depth and hidden power. Long, lingering finish that leaves one feeling delightfully pensive and soothed!

PIERRO Chardonnay 2019

The cool wet conditions of the 2019 vintage proved to be a bit of a challenge here in Margaret River. However, Chardonnay is an early ripening variety and we were able to complete the hand picking before the rain.

PIERRO's tradition of putting our Chardonnay through a malolactic fermentation proved particularly advantageous this vintage due to the high natural acidity.

Aromatic, delicate and elegant yet with power & finesse. Layers of flavour & texture but with lingering length. A quintessential PIERRO Chardonnay from a cool vintage that will age for many years.
